Sentence Sermons--On the Election

W. B. Ware, Democratic county chairman: "It listens like an old fashioned Democratic landslide."

U. S. Goen, Republican county chairman: "It is all awful, but the worst was my Hoosier friend, Beveridge's defeat. He is a better Democrat than John Kern. The prohibition platform is what beat him."

Park Pittman, chautauqueer of the Democratic roost: "That was no election, it was a foot race. There was also a Republican front last night."

M. W. Stanton: "I don't know anything about John Kern, but Beveridge is a man who is usually right, and he is a strong man."

Felix Martinez: "It was a great victory and at the same time a great blow to me. Teddy was my ideal, and I did not think he had any business mixing in things as he did."

H. C. Myles: "Coming over on the boat from England I heard it prophesied that Roosevelt would meet defeat. They were Englishmen and had when you have a cold get a bottle of Chamberlain's Cough Remedy. It will soon fix you up all right and will ward off any tendency toward pneumonia. This remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. Sold by all dealers."

An Unsurpassed Suit Value

Calisher's 100 Suits--\$22.50 and \$25.00 Values--\$15.00 Calisher's

A suit opportunity that stands without an equal in the history of the ready-to-wear business in El Paso. Beginning tomorrow, we offer stylish suits that are worth \$22.50 and \$25.00 at choice for \$15.00.

There are just 100 of these suits. They are not "discards" or undesirable styles but fresh, new suits that bear the stamp of Fashion's approval.

These suits arrived only yesterday. They are a special purchase made by our New York buyer. The continued warm weather throughout the East has seriously affected the garment trade. These 100 suits are a cancelled order that a New York suit manufacturer was glad to dispose of for cash.

Materials are tweeds, soft finished worsteds, herringbone serges, broadcloths, diagonal chevrons, and other fashionable fall and winter fabrics. Coats range 30 to 36 inches in length, semi-fitting, lined with satin. Skirts are gored and pleated, a dozen different styles of each. Many of the broadcloth suits are elaborately silk embroidered. A number of the serge suits are finished in silk braid. The color range embraces black and all the fall and winter shades. The size range includes sizes for women—from 34 to 44—and misses' sizes—14, 16 and 18 years.

Only One Hundred Suits

There are just 100 of these suits, so we advise that you shop early tomorrow. These are suits that sell in a regular way for \$22.50 and \$25.00; beginning tomorrow you have choice for
